VS Hacks!

FIRST EVER HACKATHON
HOSTED BY VANCOUVER PROGRAMMING CLUBS

WHAT IS THIS?

Come compete in a software development competition with high school students from across Greater Vancouver!

Collaborate in teams of up to 4 to develop a piece of software from scratch through June 24 - June 29, 2022. Workshops and games will be hosted throughout the event!

There will be approximately $5000 worth of prizes for winning teams and participants alike!
